Terrial Aiken

As a global social changer and motivator of humans for more than 30 years, Terry develops, implements, and evaluates life's situations for organizations, communities, and individuals. His passion is to help guide others towards living healthier, happier, more fulfilling lives: How can you make a difference today? Terry is a connoisseur of classic movies, cooking and eating Italian foods and wines with family and friends. Traveling to Germany, Australia, Canada, Italy, and cross-country through the United States has made this Brooklyn born, Yankee fan a renaissance man.
